Directions to Nathaniel Group, Inc.

From the North

From Burlington, travel south on Route 7 to light at the junction of Route 7 and Route 22A. Turn right onto Route 22A south.

Follow Route 22A (Main Street) through the center of Vergennes.

You will go straight through 2 traffic lights and after the second traffic light downtown you cross the Otter Creek.

Take your third right (there's a flashing yellow light at this intersection) after the Otter Creek bridge onto Panton Road.

Nathaniel Group is located on your left approximately $\frac{1}{4}$ mile from the intersection of Route 22A and Panton Road.

From the South on Route 22A

Follow Route 22A north toward Vergennes.

As you approach Vergennes on Route 22A, before you cross the Otter Creek, turn left on Panton Road (there's a flashing yellow light at this intersection).

Nathaniel Group is located on your left approximately $\frac{1}{4}$ mile from the intersection of Route 22A and Panton Road.

From the South on Route 7

Follow Route 7 north toward Vergennes.

As you approach Vergennes you'll come down a long hill with a divider between the lanes. Turn left onto New Haven Road.

New Haven Road turns into Green Street and finally comes to the traffic light in the center of Vergennes. Turn left at the light onto Route 22A south.

Shortly after this turn you cross the Otter Creek, still on Route 22A.

Take your third right (there's a flashing yellow light at this intersection) after the Otter Creek bridge onto Panton Road.

Nathaniel Group is located on your left approximately $\frac{1}{4}$ mile from the intersection of Route 22A and Panton Road.
